

Changing the Login Screen's Color Scheme

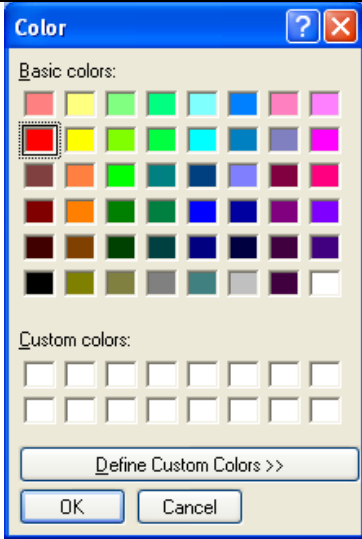

The color of login screen's background and text can be easily changed.

Changing the color scheme

To change the color scheme of the login screen, start CRE/RPE and select **Manager**. Provide the requested credentials and then follow these steps.

 <p>A screenshot of a software menu with several options. The 'Setup' option is highlighted with a red box and labeled '4'. The 'Display Setup' option is highlighted with a red box and labeled 'E'. Other options include 'Cashier', 'Invoice Properties', 'Tools', 'Administrative', 'Cashier CDL', 'Cost Markup', 'Customer Loyalty', 'Discount Levels', 'General Invoice Notes', 'Setup Screen', 'Tax Rates', 'Touch Screen Configuration', 'Friendly Printer Setup', and 'Barcode Express'. A vertical 'Exit' button is on the right.</p>	<ol style="list-style-type: none">1. Select Setup and then Display Setup.
 <p>A screenshot of the 'Screen Display Setup' dialog box. It has two sections: 'Invoice Screen Options' and 'Login Screen Options'. In the 'Login Screen Options' section, the 'Background Color' field is highlighted with a red box. Other fields include 'Toolbar', 'Customer Display', 'Select Invoice Screen to Use' (with radio buttons for Modern, Traditional, Split Invoicing), 'Set Form's Background Color >>', 'Display Type' (with radio buttons for Numeric and Alphanumeric), 'Foreground Color', and 'Select Picture \ Logo'. 'Update' and 'Cancel' buttons are at the bottom.</p>	<ol style="list-style-type: none">2. Select Background Color to change the background color of the login screen. <p>AND/OR</p> <p>Select Foreground Color to change the color of the text.</p>

After selecting either **Background Color** or **Foreground Color**,
